

How we can help

The Magellan Group is a management consulting firm providing Organization Development, Strategic Planning and Operations Management Services to healthcare organizations, businesses, and non-profit agencies.

Our Services

- **Organization Development** is where the Vision, Mission, Goals and Structure of an organization are defined and managed. It is an organization-wide effort to increase efficiency and effectiveness. We work with boards of directors and executive management to develop a solid foundation upon which to build.
- **Strategic Planning** is the process of developing and executing a set of short and long term goals to support the Vision and Mission of the organization. A Strategic Plan is the organization's roadmap for the future. We facilitate this process and develop plans that are realistic and achievable.
- **Operations Management** is the improvement or maximization of the set of functional areas to successfully implement a strategic plan for the organization to achieve its Vision and Mission. Our Operations Management services include:

- Business Planning
- Clinical Operations
- Business Analytics & Reporting
- Revenue Cycle Administration
- Cash Flow Management
- Specialty Pharmacy
- Provider Recruitment
- Physician Service Contracting
- 340b Development, Administration and Compliance
- HMO Contracting
- Hospital Services Contracting
- Risk Management
- Finance & Accounting
- Regulatory Compliance
- Marketing & Communications
- HR Administration
- Event Management
